If you want to try to print it out, the EPA seal shows up on my monitor, but not on the printout.

Can you print this out for me and place it in Monica's inbox for signature on Tuesday?

Also, I'll get the files ready next week and put them on the I:drive. Are you working Monday, January 8 and available to upload everything to the website? I'll work with Candice on mailing hard copies to Minnie.

Thanks,

Eric
